

QUALITY POLICY STATEMENT

AP Rail and Civil Engineering Limited is a quality driven organisation with a vision of being a first class Contractor to all its clients involved in the Railway Industry.

The scope of the Integrated Management System is to provide clients with services for construction operations to the Construction and Rail industries.

It is the policy of AP Rail and Civil Engineering Limited to provide a level of care, service and focus that exceeds the client's expectation and delivers complete satisfaction.

The Managing Director are committed to:

Compliance with the requirements of the integrated management system

Continual improvement of the effectiveness of the integrated management system

Ensuring that the quality policy is communicated and understood throughout the organisation

Ensuring that the quality policy is reviewed for continuing suitability

Ensuring that measurable quality objectives are established.

Our main objective is to undertake all our activities in a manner, which sees the company completing all our works on time, every time, to client contractual timescales and specifications, as well as ensuring a quality product.

A handwritten signature in black ink, appearing to read 'Adrian Pearson', is written over a faint horizontal line.
